

src/main/rudder.h

```
graph TD; A[src/main/rudder.h] --> B[Arduino.h]; A --> C[Servo.h];
```

The diagram illustrates a header file dependency. At the top, a grey box labeled 'src/main/rudder.h' has two blue arrows pointing downwards to two white boxes labeled 'Arduino.h' and 'Servo.h'. This indicates that 'rudder.h' includes both 'Arduino.h' and 'Servo.h'.

Arduino.h

Servo.h
